

Louis Kahn: Conversations With Students (Paperback)

By Louis I. Kahn

PRINCETON ARCHITECTURAL PRESS, United States, 2000. Paperback. Condition: New. 2nd edition. Language: English. Brand new Book. Louis Kahn (1901-74) is one of the most renowned practitioners of international modernism, on a par with Le Corbusier and Mies van der Rohe in the extent of his influence on subsequent generations of architects. Kahn sought the spiritual in his powerful forms, and encouraged his students to seek the essential nature of architecture. His Philadelphia-based practice was responsible for such masterpieces as the Richards Medical Research building in Philadelphia, Pennsylvania; the Yale ArtGallery extension in New Haven, Connecticut; the Kimbell Art Museum in Fort Worth, Texas; the government complex at Dhaka, Bangladesh; and the Salk Institute in La Jolla, California. This title, in the same format as our highly successful Rem Koolhaas: Conversations with Students, contains a little-known essay by Kahn on his sources of inspiration, an interview with the architect on his working methods and his vision for the future of the profession, and writings on Kahn by Michael Bell and Lars Lerup, contributors to our title Stanley Saitowitz. Louis Kahn: Conversations with Students is the latest title in the series from the Rice University School of Architecture.

Reviews

This pdf may be worth purchasing. This is for anyone who statte there was not a really worth reading. I found out this pdf from my i and dad encouraged this pdf to understand.

-- **Mrs. Annamae Raynor**

If you need to adding benefit, a must buy book. This really is for all who statte that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
